MOVING? Please use form inside paper and give full information. Mailing list is run on Friday following week.

It appears that we no longer get over the wash of one special interest group to control our lives and habits than up another one. Now comes one loosely termed the Animal Welfare outfit, which is a number of fanatic folks ranging from animal lovers to vegetarians and from what has surfaced about 'em to date they do represent something kind of new as combinations of reliable sources are concerned. Those Animal Welfare people have decided that livestock and poultry under today's farm's & feedlot practices are being denied their Constitutional Rights to life, liberty and pursuit of happiness. Confinement in pens, cages in the case of poultry and some small animals, should be outlawed as cruel and inhuman treatment. Of course, these folks conveniently ignore

Effort to Recover Consumer Markets, Return Business to Profitability Aim Of Massive Advertising in Major Media

A coordinated consumer marketing plan designed to help the beef industry return to profitability was endorsed by state and national beef promotion leaders at a June 28 meeting in Denver. At the meeting were members of the Promotion Committee of the Meat Board's Beef Industry Council, state beef council leaders and representatives of affiliated industry groups. Presenting the marketing plan were Dr. Wayne Talarzyk and Ron Cowman of Management Horizons, Inc., a Columbus, Ohio firm specializing in consumer marketing strategy. Management Horizons was retained by the Beef Industry Council of the Meat Board in March to prepare a complete marketing/advertising/promotion plan for the beef industry. "This program addresses the overriding issue of planning for the return to beef industry profitability," Talarzyk said in his introduction. "While there are already ongoing programs to improve methods of production, distribution, pricing and packaging, all of which have important effects on industry profitability, the focus of this plan centers on communicating beef value messages to the ultimate consumer."

The voluntary checkoff of 25¢ per head was launched in Texas July 1. Some 48 livestock markets have signed up to collect the quarters to finance the beef promotion budget and about 100 others have agreed verbally to make the checkoff by implied consent. (CONT. ON PAGE 10)

Fed Cattle Higher at Most Markets Monday, Hogs Were Highly Uneven

At the central markets on Monday the fed steers and heifers were mixed, but prices were firm at a majority of places. Slaughter cows were mostly \$1 higher and bulls steady. Hicups were 7,700 below a week ago. Monday's cattle kill was estimated at 110,000, 3,000 below last Monday and 1,000 above one year ago. Butcher hogs were mixed with prices as much as \$1 higher to 50¢ lower at various markets. Monday's receipts were 3,400 below a week earlier. Estimated hog kill for Monday was 214,000, which was 49,000 below last week and 64,000 below a year ago. Price trends, quotations on choice and prime fed steers and heifers and the mixed good and choice grades and on good to choice Holstein steers and U. 3rd 1981 "Top Dollar" Sale Set July 30 At Ft. Worth Stockyards

Fort Worth — The Fort Worth Stockyards and commission firms operating there are conducting the seven-sale series of special "Top Dollar" stocker-feeder calf sales on the last Thursday, now through October, and on Nov. 19, 1981, according to Elmo Klingenberg, stockyards president. Sale dates are: July 30; Aug. 27; Sept. 24; Oct. 29 and Nov. 19.

The sales will begin with odd lots selling at 8:30 a.m. and groups at 10 a.m. The groups of 10-15 head and 20-and-more head will be judged in three classes: Herefords, Angus, other breeds and crossbreeds prior to the group sale. Trophies and ribbons will be awarded for the first five places in each class.

Because of top quality, uniform lots of both steers and heifers available in odd lots, these sales traditionally attract top buyers looking for cattle for grazing, pre-conditioning or feedlots. All these factors contribute to premium prices for the calves, Klingenberg said.

Consignments to these "Top Dollar" sales may be made by contacting any of these full-time, full service commission firms: Carson Commission Co., 817/624-3191; John Clay & Co., 817/624-1800; Farm & Ranch Commission Co., 817/624-2161; Farmer-Kutch Commission Co., 817/624-2176; Foley-Allen Commission Co., 817/628-3701; Leon Rails Livestock Commission Co., 817/624-2121; or Bill Few, 817/624-2161. Further information is also available from the Fort Worth Stockyards, 817/624-3101.

IBBR Convention In Okla. City July 30-Aug. 1

Okla. City — The International Beefalo Breeders Registry will hold its Annual Convention in Oklahoma City, July 30 through August 1, 1981. The Convention site will be the Hilton Inn West on I-40 at Meridian.

Convention activities will begin Thursday, July 30 with a bus trip to the Cowboy Hall of Fame. Buses will leave at 8:00 and 8:00 p.m. Upon return to the Hilton a Cocktail Hour is planned from 6:00 to 9:00 p.m. in Dennis Eubanks' suite at the Hilton Inn.

It was pointed out that this is the first time this IBBR Convention has been held in the Southwest and all Beefalo Breeders and those interested in breeding Beefalo are urged to attend. Reservations should be made directly to the Hilton Inn West.

On Friday, July 31, activities will begin at 8:00 a.m. with a breakfast Board of Directors meeting of IBBR followed by a welcome and opening remarks at 9:30 a.m. by Dennis Eubanks, IBBR President in the Appaloosa-Arabian Room. Jim Burnet of Luther, Montana will address the convention at 10:30 a.m. followed by an 11:15 a.m. presentation by Genetic Profiles of Arlington, Texas.

A Beefalo Luncheon is scheduled for 12:00 noon with special guest speaker, United States Senator John Melcher of Montana. Bob Allen, A Bar K Beefalo of Edmond, Oklahoma will furnish the Beefalo meat for the luncheon. Speakers during the afternoon will

be Ben Martin of the Northwest Beefalo Association, Darrel Bush of Boeing Computer Service in Seattle, Washington, and Dale Heagle, President of the North Central Beefalo Association.

A membership meeting is set for 8:00 p.m., July 31.

An 8:00 a.m. IBBR Board of Directors meeting is set for Saturday, August 1, 1981 followed by a Question and Answer session from 9:30 to 11:30 a.m.

A special feature of the convention will be an exhibit by Bob Allen's A Bar K Beefalo Farm of a 3/4 Beefalo cow and 7/8 heifer calf. Allen has been very active in exhibiting Beefalo at the Oklahoma State Fair for several years.

For further information on the convention contact the International Beefalo Breeders Registry, Box 7624, Stockton, California.

Beefalo Places High In Cooke County Evaluation Test

Cooke County Beef Evaluation Center at Gainesville, Texas recently completed the 82nd Testing Program. The test was for a 140 day period and included 7 breeds using a typical beef cattle feeding program. Tom Martin, a member of the International Beefalo Breeders Registry placed three Beefalo bulls in the test and his best animal took 2nd place in the total breed index ratings. A Beefalo spokesman pointed out that the results might have been much better on a ration designed for Beefalo. The top animal in each breed performed and placed as follows:

Breed	Total	ADG	WDA	365 Day	Total
					Index
Pinzgauer	580	4.14	9.17	1,150	117
Beefalo	460	3.28	2.92	1,080	111
Santa					
Gertrudis	460	3.21	2.75	1,005	110
Brangus	510	3.82	2.92	1,070	103
Charbray	390	2.78	2.47	900	102
Simmmental	460	3.21	2.56	910	101
Beefmaster	435	3.10	2.86	1,025	100

Total breed index was determined by the average indexes for ADG, WDA, and 365 Day Weight within the breed.

AMERICAN RED BRANGUS ASSOCIATION NEWS

Guerra Bros. Brahman Influence Red Brangus Sale Aug. 15 At Linn

Linn, Texas — The Guerra Bros. will again proudly host the Brahman Influenced Red Brangus Sale of the Americas II at their ranch near here on Aug. 15. The cattle will be on display all day Friday with food and refreshments and a typical Mexican-style fiesta atmosphere available from noon on. There will be an embryo transfer seminar on Friday afternoon, Aug. 14, and 4:30 p.m.

Selling will be 80 top quality lots of cattle including one-half embryo interests in five of the top Guerra Red Brangus females. These matrons are: Amazon 36/5, dam of Geronimo, a Warrior son that the Guerra's felt will be better than his sire, the great Warrior; Warrior's Princess 100/0, best Warrior heifer ever produced and featured in all of the Guerra Bros. sale advertising and out of an embryo transfer cow; 217/5, a grand daughter of the great 15/5 certified Meat Sire of Paleface Ranch who has produced more herd sires than any other Red Brangus herd bull; Miss Amazon M. 11, the grand champion female of the first Red Brangus show ever held and an own daughter of the Paleface Ranch 73/1 bull; and Miss Amazon M. 82, "possibly the best 77/5 daughter ever to leave the Paleface Ranch, and a model Red Brangus," Carlos Guerra stated.

"If it wasn't for embryo transfer, these cows would never be available," Guerra said. "Everyone will have the opportunity on Aug. 15 to share with us the heart of our herd."

Also available will be one-half interest in the buyer's pick of the weaned litter of full sibs to Warrior 21/4; the buyer's pick of one-half interest in the litter of 141/8 and 15/5 calves. 141/6 is Amigo Real's dam and 15/5 is the great Paleface Ranch CMS bull.

Also selling will be top herd sire prospects by Warrior and 113/7, some outstanding Warrior pairs; 25 Red Brangus pairs including many three-

Paleface Ranch Sets 1st Red Brangus Heifer Sale For Sept. 19

Spicewood, Texas — Mike Levi, founder of the Red Brangus breed, will hold his Paleface Ranch's first heifer sale on Saturday, Sept. 19, 1981 at 1 p.m., following lunch served at noon.

Selling will be 150 heifers from Levi's short yearling crop. He will keep a few replacements of the kind he will be offering for sale. These heifers will be old enough and large enough to breed next spring.

Levi said this will not be an auction sale. The heifers will be in ones; bred cows; 25 replacement heifers including some three-quarters; and a few commercial bulls.

Everyone will also have the opportunity to invest in some of the best red nose and polled Brahman genetics available. There will be four halter-broken red nose heifers selling along with two exceptional red nose herd bull prospects. Also selling will be six Brahman cows with registerable Red Brangus calves at side; and two registered polled Brahman heifers.

"There will be something for everyone," Guerra said.

Bert Reyes of San Antonio will be auctioneer.

The embryo transfer seminar Friday, Aug. 14 will feature as main speakers Dr. Sam Halley, DVM, premier embryo transfer specialist of Brahman and Brahman-blooded cattle; and David Westfall, counselor of law and co-owner in an embryo transplant center and an expert on tax advantages of embryo transplants. The seminar will be very educational and open to questions from the audience.

For more information contact Guerra Bros., P. O. Box 38, Linn, Texas 78653, phone 512/383-2602; or A. R. Guerra, 512/383-5875; Carlos X. Guerra, 512/383-7640. Sale headquarters will be the Echo Motor Hotel, Edinburg, Texas, 512/383-9828.

sorted into groups of about five head each and prepriced. Buyers will select the heifers they want at the price on them. If more than one buyer wishes to buy that particular set of heifers, Levi will use a drawing system to select the purchaser.

These heifers all trace back to Levi's original Oscar bull, the foundation sire of the breed.

"This will be an excellent opportunity for new breeders to get into the Red Brangus business, or established breeders to add some quality Paleface Ranch females to their herds," Levi said.

Financing will be available on the heifers with a reasonable down payment and reasonable interest rates. Persons wishing financing should contact Syler Sales Management, Inc., Route 2, Box 35, Burton, Texas 77825, phone 713/289-4400, for credit approval prior to the sale. No credit will be approved sale day.

Headquarters for the sale will be the Lakeway Inn on Lake Travis, where a block of rooms has been reserved for prospective buyers. A pre-sale party will be held at the Lakeway Inn the night before the sale at 8 p.m., Sept. 19, and dinner at 8 p.m.

Levi invites everyone to also attend the grand opening of his new sale facility the morning of Sept. 20 before the sale for coffee and donuts, and lunch served before the sale.

Paleface Ranch will again be host for the 4th Annual American Red Brangus Association heifer futurity and sale and the Paleface Ranch's 10th annual Red Brangus bull sale on Nov. 19-20. Forty-three heifers have been nominated for the Futurity Show and Sale so far. Levi's bull sale Nov. 20 will be an offering of 100 head of the very top bulls on the ranch.

Breeders Nominate More Than 40 Heifers To 1981 ARBA Futurity

Austin — More than 40 members of the American Red Brangus Association have nominated heifers for the ARBA Heifer Futurity Show and Sale to be held Nov. 19-20 at the Paleface Ranch at Spicewood, Texas.

Nominations will be accepted until Sept. 19. Nomination forms and a check for \$250 should be sent to the ARBA office, P. O. Box 1326, Austin, Texas 78767. For more information call the ARBA office, 512/845-2625.

Five New Inspectors Named By ARBA

Five new Red Brangus inspectors have been added to those now approved by the American Red Brangus Association, according to Mike Levi, Spicewood, president of ARBA.

The new inspectors and their areas are: Melvin B. Creel, Route 1, Box 181, Overt, Miss. 39464, phone 601/844-7281, for South Mississippi.

Russ Garrett, Rt. 1, Box 701, Cochise, Ariz. 85606, phone 602/884-8685, for Arizona, New Mexico and California; Doyle R. Brown, Box 232, Bath Mountain, Nevada 89820, call T. Lay S. No. 1 through the Elko, Nevada, operator, for Nevada; Ricky Dean Boos, Box 43, Korrville Hwy., Fredericksburg, Texas 78624, phone 512/997-5877, for Central Texas; and Alton G. O'Keefe, P.O. Box 1031, La Feria, Texas 78559, phone 512/797-1243, for the lower Rio Grand Valley of Texas.

RED BRANGUS

IT'S SUMMER — DO YOU KNOW WHERE YOUR CATTLE ARE?
Are they vacationing on your ranch and staying cool by:
• swimming in your tank?
• relaxing under your shade trees?

If the answer is yes, you are running a resort for the bovine jet set and YOU ARE LOSING MONEY!

IF YOU HAD RED BRANGUS...
• they'd spend more time in the sun working;
• their reddish coats would provide more tolerance to the heat of the summer sun;
• your cows would seldom have sunburned udders or spotted bags.

THAT MEANS PROFIT!

RED BRANGUS — for the cattle operator who takes profit seriously.

Brahman News...

Texas Brahman Assn. Annual Meeting Set July 24-25, Omito

Omito — The Texas Brahman Association has announced plans for their annual summer meeting to be held here on July 24-25 at the Rancho Viejo. The theme for this year's membership convention is "Where are We? Where are we headed? What can we do about it?" Registration will begin at 9 a.m. on Friday, July 24. An officers' and directors' meeting is scheduled for the morning. The main event will be the annual convention, which will then be followed by the afternoon program. Jim Anderson with the Agricultural Development Department of the Trans-America Airlines, Oakland, CA., will be the first speaker on the list. Bill Heimlich with the Livestock Business Advisory Services, Inc. of Overland Park, KS, is the next guest speaker for the afternoon.

W. T. "Dob" Berry, executive vice-president for the National Cattlemen's Association, will discuss leadership qualities needed among breeders and the future of the beef industry. Berry will also bring the group up-to-date on the current standing of the American beef industry.

The annual banquet and accompanying entertainment will begin Friday evening at 8 p.m. During the annual TBA convention, the presentation of the Beef Rooster Award will be given to an outstanding person who has made a significant contribution to the beef cattle industry during the past year.

The agenda for Saturday, July 25, will feature Dr. Keith Armstrong of Yorkum, TX, Dr. Armstrong is the USDA Area Supervisor for Veterinary Services, and will discuss the effects of the brucellosis program on the purebred breeder.

The annual membership luncheon will follow the close of the morning's

program. The election of the 1981-82 officers and directors will conclude the two-day event.

For more information, contact Margaret Watkins, TBA Secretary-Treasurer, Star Route, Box 47, Ganado, Texas, 77962, or call (612) 782-3088.

South Texas Brahman Field Day Aug. 8

Luling — Brahman breeders from the South Texas area will gather here on Saturday, August 8 at the Gordon Withers Brahman Ranch for their annual field day.

The program will begin at 8 p.m. with an adult and junior judging contest. Max Watts, registered Brahman breeder from Frost, TX., will be on hand to place the cattle.

A discussion will be held for members interested in having their purebred herd designated as a certified-free brucellosis herd. Also on the agenda, ABBA Executive Vice-

President Wendell Schronk will give an update on the rapidly growing B.C. Certification Program. Area Vice President Gordon Withers will then feature movies of a Brahman tour of South America.

A bar-be-que dinner will be served for guests attending the field day. Jerry Simon of Wackler, TX, will have several Brahman show cattle on display from the various area ranches.

For more information on the South Texas field day, contact Gordon Withers, Route No. 1, Box 171, Luling, Texas, or call (612) 875-5849.

East Texas Brahman Sell Privately; Also In Sale Sept. 4

Lufkin, Texas — David Wright of Cleveland has announced that the East Texas Brahman Association is pulling together in two special efforts this year: sale at

McKellar Red Brahman Female Sale Aug. 1 At Mt. Pleasant

Mt. Pleasant — Dr. Leo McKellar, owner, will host the McKellar Ranch's "Stage 3" Red Brahman female sale on Aug. 1, 1981, beginning at 1 p.m. at Mt. Pleasant, at the ranch.

The 85 Red Brahman female lots selling include five open super donor heifers that are halter broken; 10 three-in-ones, all with heifer calves; 40 bred cows; and 30 bred heifers, a large number of which will be halter broken and led into the ring. Five of these lots will have heifer calves at side sired by "Sugarcane," the first one-half Brazilian heifer calf pairs sold in North America.

Stage 3 is another cut into the McKellar herd, and these females would never be offered except for the ranch's successful embryo transfer program. The females offered represent 23 years of breeding Red Brahman by McKellar Ranch.

Stanley Stout of Linwood, Kan., will be auctioneer for the sale. For further information contact McKellar Ranch, Leo McKellar, owner, Route 5, Mt. Pleasant, Texas 76465, ranch phone 214/672-9182.

Brahman Clinic VII To Be In Houston

Houston — Brahman Clinic VII will provide another informative gathering of Brahman breeders and authorities here at the Astro Village Hotel on August 26-29.

Sponsored by John and Vivian Joyce, the Brahman Clinics have provided insight into the breeding and raising as well as marketing of Brahman cattle. Consistent with the past three clinics, the "Sale of Sales" fourth instructional herd bull and female sale will be held in the Astro Village ballroom on Saturday morning, August 29 at 10 a.m. The sale of top quality red and grey Brahman cattle will be preceded by a Mexican style buffet breakfast at 9 a.m.

The clinic program will begin on Wednesday, August 26 with registration from 8:30 to 10:30 a.m.

private treaty of a very large list of quality, size, correct conformation and color Brahman cattle anytime and a field day at 9 a.m. and ETBA sale at 3 p.m. Friday, Sept. 4 at the Harry English Farm at Lufkin.

For further information, contact: David Wright, President, East Texas Brahman Assn., Route 3, Box 359, Cleveland, Texas 77327; or Jane Squires, secretary-treasurer, Route 2, Box 4350, Lufkin, Texas 75901.

ABBA Executive Vice-President Wendell E. Schronk will be the emcee for the Brahman Clinic VII. Clinic host John Joyce of Wharton, TX, will give the welcome to guests from all facets of the Brahman business.

Nationally syndicated columnist and humorist "Doc" James Blankley of Wharton, TX, will kick-off the clinic with his talk on living everyday life. Blankley is a recent recipient of the National Speakers Association Award of Excellence in Communications. He is involved with over 500 seminars and speaking events yearly, and is the author of the country humor column "Pokin' Fun."

Something new will be added to this year's clinic with the First International American Brahman Futurity. The futurity is open to any quality registered Brahman breeding cattle. Both males and females will be judged in four classes according to age. Age limits for bulls are 18 to 40 months of age, and age limits on females are 12 to 30 months of age.

The judging of cattle in the futurity will begin on Wednesday evening at 8 p.m. at the Astro Village Hotel. The sale of qualified futurity cattle will be held on Friday, August 28, at the conclusion of the clinic on Friday evening there will be a reception and dance beginning at 8:30 p.m. in the Astro Village hall.

Entertainment for the dance will be provided by Jet & Val of East Bernard, TX.

Included again in this year's Brahman Clinic VII will be over 25 ag-related booths stationed in the center of activity at the Astro Village ballroom. Ag-related companies are invited to contact "J" Custom Fitters for further details on the trade show.

For hotel accommodations and enrollment information, contact "J" Custom Fitters, John Joyce, Route #2, Box 282, Wharton, TX, 77488, or call 713/342-2038 or 713/667-2312.

Seaberg Ranch Announces Dispersal Sale For Fall

Boling, TX. — The Internationally known Seaberg Ranch has announced the dispersal of their entire registered grey Brahman herd on October 16 and 17, 1981, at the Boling, TX, auction.

Approximately 350 females and all herd sires will sell in this complete dispersal. Included in the female offering will be cow-calf pairs, replacement heifers and this year's entire calf crop. Everything goes, with the ranch reserving one-half interest in only the proven embryo donor cows. This choice group should amount to 15 or 20 head of proven donor Brahman females by sale time. Also included in the sale will be herd sires, Mr. Seaberg 217, IV's Rexera 227, Mr. Sugarata 18, and RQ's Rexera 39. Also selling are six sons of IV's Rexera 208 and JMD Elefante 226. Herd sires owned in partnerships with other breeders will also sell.

In announcing the dispersal, ranch owners Cattle Seaberg and John Joyce said, "We are at phase four in our plans for the Seaberg Ranch, and feel it is now the time to make this most calculated move. We believe even stronger in the purebred Brahman business and

have progressed to the point that we can offer this outstanding proven herd to our customers while at the same time moving into phase four of our ranch program." Phase four centers around the utilization of the embryo transplant procedure to breed even more superior lines of Brahman cattle from the sires and dams already identified.

The dispersal will be held over a two-day period to allow buyers enough time to adequately inspect all the sale cattle. Complete breeding records will be available on the cattle.

The sale will reflect the complimentary nature of the immortal Sugarland's Rexera 1 — 220/8 bred females and the incomparable Elefante 226/8. Through the show ring both of these Brahman bulls are widely known, and their progeny have also gained in great popularity.

For sale catalogs and information, contact John Joyce, Route #2, Box 282, Wharton, Texas, 77488 or call 713/342-2038 or 713/667-2312. Also Cattle Seaberg, Route #4, Box 228, Dayton, Texas, 77535 or call 713/268-8201.

wants to communicate to them. In marketing terms, that means identifying target markets and "major positioning appeals."

According to Management Horizons, there are four key consumer target market segments: the "growth segment" of 25 to 44 year olds; the white collar, higher educated, affluent segment, which tends to lighter consumption of beef; the blue collar, affluent segment, which tends toward heavy consumption; and employed women, a growing segment which represents many opportunities for the beef industry.

The major positioning appeals for beef center on price/value as a major concern of a majority of shoppers, conven-

(CONT. FROM PAGE 1)

th' lack that hens have just about doubled their egg production in confinement and a large part of this is due to their release from the barnyard battles of th' pecking order as th' bossy hens picked at th' meeker ones.

Turning livestock out to roam and enjoy th' flowers and scenery might not make cattle, hawks or sheep necessarily unhappy, but from an economic standpoint, their productivity and profitability would certainly decline. A decline in either productivity or profitability at this stage in th' game could very well force livestock folks out of business.

This probably gets around to th' reason th' Vegetarians are involved. They have th' same techniques and follow the same arguments as some of th' late and unlamented stars in the Jimmy Carter gaggle, they finger if they don't like somethin' or somebody, th' way to get shed of 'em is to harass 'em enough to make th' bizness unprofitable and unpleasant enough they will throw in th' sponge.

We have seen this kind of thing done so often it does appear there should be some way for th' innocent targets to strike back. In some cases this is being done and it has been kind of a shock for some of th' bureaucrats to find their own suits hauled into court and sued for damages. It has been difficult to get some of 'ollers settin' on th' judges benches these days to rap th' knuckles of those who file these frivolous suits, but it can and has been done.

We will recall th' time we was tawkin' to a group, which was well herded with federal bureaucrats and told 'em that th' courts were th' answer to harassment and pointed to some suits that were already under way over th' way laws of th' land were being twisted around far from th' intent of Congress in th' first place. However, it has come to pass and there will likely be more of it in th' future as th' victims see th' possibilities.

One wonders, sometimes where do these families get th' money for all this agitation? Simple. Years ago some of our very, very wealthy businessmen set up foundations to promote education and the good and welfare and to keep th' Tax Men from givin' all th' benefits of their productive years. Th' Feeds, Rockefellers, Carnegies and many corporations would sure be churnin' in their graves if they knew how their foundations were being used by do-gooders and reformers who have worked their way into these setups. For instance, farmers and ranchers are properly disturbed over efforts to dictate land use. Outfits such as Conservation Foundation, Environmental Defense Fund, Friends of the Earth, Audubon Society, Wildlife Federation, National Resources Defense Council, Sierra Club Legal Defense Fund and Wilderness Society are among th' people pushin' for land use controls, which in some cases are needed, but in most cases are aimed at no growth and development. They operate on millions of dollars from Ford, Rockefeller and corporate foundations. Mostly their intentions are good, but their attempts to force feed their ideas to us are cause for concern.

Ever thine,

The Editor.
P.S.: Uncle Duck says with th' Air Controllers and Postal Workers threatening to strike he is reminded of what President Cal Coolidge once said, to wit: "There is no right to strike against the public safety by anybody, anywhere, anytime."

SIMBRAH NEWS

Simbrah Heifers To Vie For Top Cash At San Antonio

San Antonio — The open and junior Simbrah shows next Feb. 20 at the 1982 San Antonio Livestock Show in helping create a lot of interest in Simbrah cattle, according to Skipper Hill, secretary of the Texas Simmental Association.

The Junior Simbrah Heifer Show at San Antonio will have added cash premiums of \$2,000 for the grand champion heifer and \$500 for the reserve champion heifer. The prize money has been donated by Simbrah breeders interested in seeing growth of the Simbrah breed.

Nov. 1, 1981 is deadline for ownership of Simbrah heifers to be exhibited in the Junior show. Heifers born after Jan. 1, 1980 will be eligible to show. The heifers have to be purebred Simbrah, five-eighths Simmental and three-eighths Brahman, and out of registered parents on both sides. Only cattle registered with the American Simmental Association will be eligible to participate in the show.

This will be the second Simbrah show at San Antonio. Hill said entries from all over the state are expected.

"With \$2,000 and \$500 added in addition to the prize money paid by the San

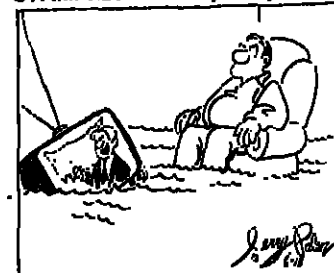

Antonio Stock Show and ASA, this should be a strong Simbrah show. We expect this to cause a lot of FFA and 4-H youngsters to start looking for Simbrah heifers to take to the show," Hill said.

He noted that the Simmental Junior show at the 1981 Fort Worth Stock Show drew about 117 entries from all over the state, and he expects the Simbrah show at San Antonio to become one of the stronger shows at San Antonio.

Largest Importation Of Nelore Zebus In 40 Years Now In Texas

The largest importation of Nelore Zebu cattle brought onto the North American continent in nearly 40 years has arrived on an East Texas Ranch, ending more than a year of negotiations, purchase, shipment and stringent quarantine.

Imported from Brazil by Walker Wilson and Associates of Overton, Texas, the 21 Nelore bulls and 28 Nelore females were part of a shipment of 50 head of Nelore, Gyr and Indu Brasil Zebu animals recently released from five-month quarantine in USDA's Harry S. Truman Import Center on Fleming Key off the coast of Florida.

STAMPEDE By Jerry Palen

All but seven of that shipment were owned by Wilson and are presently located on the Billy Powell Ranch at New Summerfield, Tex., awaiting completion of facilities on a 3,000 acre ranch near Navasota. The Wilson importation also included 14 Indu Brasil bulls and 14 Indu Brasil females, one Gyr bull and two Gyr females.

"This importation is significant to American breeders because the Nelore, Indu and Gyr were the original breeds that formed the American Brahman. With the last significant importation of original blood of Zebu cattle in 1946, the American Brahman needs this new blood in the breed's genetics," Wilson said.

The Wilson females will be placed in a fast-developing Embryo Transplant program, which provides multiple births from single breedings by removing fertilized eggs from the donor cow and transplanting them individually to other cows for gestation, calving and growth to weaning.

Information regarding these cattle, the embryos or semen may be obtained by contacting Walker Wilson, P. O. Box 567, Overton, Texas 76088, Phone (214) 834-3414.

There are 4,000 species of flowers.

Buchen Elected Executive Director Texas Longhorn Breeders Association

San Antonio — J. Patrick Buchen is the newly elected Executive Director of the Texas Longhorn Breeders Association of America, and will head the new office in Fort Worth, Texas as of July 1. The announcement was made by Bill Anthony, Ardmore, Okla., President of the Texas Longhorn Breeders Association of America, TLBAA.

Buchen was previously an Administrative Assistant with the National Western Stock Show, Denver. Prior to his appointment with the National Western, Buchen served as the Executive Secretary of the American Mathe-Anion Association.

As the Executive Director of the TLBAA, he will be responsible for top management decisions of the 1,300 member organization, with a 40,000 purebred stock registry.

"We are happy to have Pat aboard. His background in raising cattle on a commercial basis, and his proven experience in the management field is definitely going to be an asset to our organization," said Anthony.

"I am excited about the opportunities the Texas Longhorn breed has to offer in this country's cattle industry. I am pleased to have the opportunity to work with this outstanding breed," said Buchen.

In May, the TLBAA Board of Directors voted to move the headquarters in San Antonio to Ft. Worth. For more information about the Texas Longhorn Breed contact: Texas Longhorn Breeders Association, P. O. Box 658, San Antonio, Texas.

Nacogdoches Texas Longhorn Sale July 18

Nacogdoches, Texas — The 5th Annual Nacogdoches Texas Longhorn Sale will be held July 18 in the new Nacogdoches County Exposition Center.

Only 90 head of cattle will be offered, with the sale limited to three herd sires and three steers, with the remainder being females and pairs.

Trophies and ribbons will be awarded to champions and reserve champions in six classes: herd sire, steer, senior cow, junior cow, senior pair and junior pair.

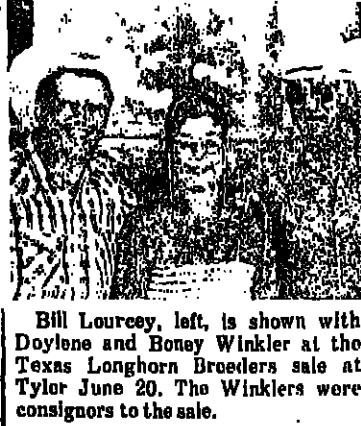

The Ark-La-Tex Longhorn Breeders Assn. will host a steer show at 7 p.m., at the Exposition Center the night before the sale.

"Cowtown Choice" Longhorn Bull Sale Set Oct. 17 At Ft. Worth Stockyards

Fort Worth — The "Cowtown Choice" registered Texas Longhorn bull sale will be held Oct. 17, 1981, in the Fort Worth Stockyards.

Eddie Wood, Wynnewood, Okla., will auction about 100 head of good breeding-age bulls.

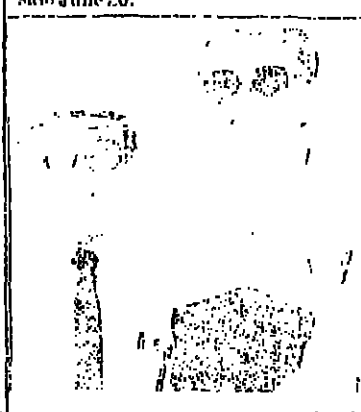

The main purpose of the sale is to develop a healthy bull market in the Fort Worth Area, and ac-

Longhorns Average \$1,898 In Tyler

Tyler — The Summer Spectacular Texas Longhorn Sale here June 20 grossed \$102,490 on 54 lots for an average of \$1,898. John Stephens and Gayle Ingram of Longhorn Sales, Quitman, were sale managers and Eddie Wood of Wynnewood, Okla., was the auctioneer.

The bred heifer, TC Star Lady, consigned by Tom Chandler of Arlington, topped the sale going to Wright Materials Longhorns, Robstown, for \$3,700. Another bred heifer consigned by Chandler sold to Red McCombs Longhorns, San Antonio, for \$2,700. Wright Materials also bought a bred heifer consigned by Dr. Harmon Knight, Pasadena, for \$2,900. Lodge Creek Ranch Registered Texas Longhorns

Texas Longhorn bulls are your best answer if you breed heifers. The fertility and libido of the bull will ensure more conceptions. The configuration of the calf will ensure calving ease, and its vitality will help ensure survival.

The yield grades of the Texas Longhorn F-1 Cross Steer are such that there is a total acceptance of the carcass by the packer.

Finally, there is the secondary consideration in supplying the rodeo market.

APHA National Sale July 31, 7:00 P.M. in Oklahoma City

Oklahoma City - The American Paint Horse Association National Sale will be held July 31, 1981, at 7 p.m. in the State Fair Park in Oklahoma City. Selling will be 100 lots selected from 240 head consigned. The horses selling include national champions, youth champions and superior horses including 56 mares, 28 stallions and 16 geldings with terrific credentials. There are 10 APHA champions, seven APHA youth champions, six national champions, one reserve national champion, five superior halter horses, one superior western pleasure and two youth superiors. Bred mares, three-in-one packages, PBBA eligibles, proven horses and outstanding prospects with today's popular bloodlines from the nation's top breeders will be included. Some of the name-horses selling include: APHA champion and superior halter horse, Bid Bar, a 1973 tobiano stallion by Long Tail Texas; Tallwind's Warrior, a 1978 sorrel overo stallion; Shez A Cover Girl, 1979 sorrel overo mare; Shaft, 1979 sorrel overo gelding; Jeteleo, 1980 sorrel overo stallion; and many others. For further information contact U.S. American Paint Horse Association, Dept. WLR81, P. O. Box 18519, Fort Worth, Texas 76118, phone 817/480-8400.

ROUND BALE COVERS

Mr. Gentleman, you can't afford to use up to 1/2 of your hay crop as a bale cover! You can afford economical, long lasting (5 years expected life) easy to apply Bale-Bonnet! Bale-Bonnet has covers that are attached to the bale with 4 tie bands. Bale-Bonnet's cover will NOT blow off! The water drips to the ground away from the bale-ground contact area... the bales stay round and dry. Made and sold by a rancher for ranchers. Shipped by UPS to your door in 4 days. Bale-Bonnet pays all freight charges. Shipped complete with Bale-Bonnet 20 covers to a box. Try 'em... you'll like 'em. Money back guarantee! For information or order call "Alan" 314-483-2552

AVOID CHANGING WELL LEATHERS FOR MANY YEARS
Perma-cups are molded urethane, more wear resistant than nylon. Perma-cups will outlast leathers 10 to 1. Their tapered design allows only 1/8" wearing, instead of 5/8" of a leather. Much less friction for easier pumping extends cylinder life greatly. Perma-cups must be used in a good or new cylinder, as they do not swell. Install Urethane Perma-cups, Urethane Check-balls, and Urethane Pump Rod-guides, and don't pull that well for many years. Thousands are in wells that have not been released in 5 years! All are available in standard cylinder and pipe sizes. Write or call for our catalog. We ship same day order is received. This is our 31st year serving ranchers.
